this Committee were, further, examined by a Group of senior officers, headed by Cabinet Secretary. While orders on most of their recommendations, relating to pay and allowances, have been issued by the Government, there are two issues, *i. e.* pay scales of the Personnel Below Officers' Rank and of Lt. General/equivalent, which are being looked into by a Group of Ministers in view of their wider implications. Based upon the recommendations of the Group of Ministers, the Government has implemented 14 pay scales on 3rd October, 2000, removing certain anomalies in the pay scales of Personnel Below Officer Rank of Navy and Air Force, arising out of trade rationalisation in the Army. Similarly, one more pay scale has been implemented on 10th November, 2000 for those Sergeants of 'X' Group of Air Force, who qualify a technical examination at par with diploma in engineering to be designed and conducted by the Air Headquarters.

The issue relating to the remaining 19 pay scales of Personnel Below Officer Rank recommended by HLC including pay scales of Subedar Major and Havildar is still under consideration of the Group of Ministers.
